The Wayne Board of Education shall admit to its schools, free of charge, persons over five and under twenty years of age, pursuant to N.J.S.A. 18A:38-1, or such younger or older pupil as is otherwise entitled by law to a free public education.

Eligibility to Attend School

The Board shall admit pupils eligible to attend school free of charge that are domiciled within the district as defined in N.J.A.C. 6A:22-3.1 et seq.

The Board shall also admit any pupil that is kept in the home of a person other than the pupil's parent or guardian where the person is domiciled in the school district and is supporting the pupil without remuneration as if the pupil were his or her own child in accordance with N.J.A.C. 6A:22-3.2 et seq. A pupil is only eligible to attend school in the district pursuant to this provision if the pupil's parent or guardian files, together with documentation to support its validity, a sworn statement that he or she is not capable of supporting or providing care for the pupil due to family or economic hardship and the pupil is not residing with the other person solely for the purpose of receiving a free public education. In addition, the person keeping the pupil must file, if so required by the district, a sworn statement that he or she: is domiciled within the district; is supporting the child without remuneration and intends to do so for a time longer than the school term; will assume all personal obligations for the pupil relative to school requirements; and a copy of his or her lease if a tenant, or a sworn landlord's statement if residing as a tenant without a written lease. Pursuant to N.J.S.A. 18A:38-1(c), any person who fraudulently allows a child of another person to use his or her residence and is not the primary financial supporter of that child; and any person who fraudulently claims to have given up custody of his or her child to a person in another district commits a disorderly persons offense.

A pupil is eligible to attend school free of charge pursuant to N.J.S.A. 18A:38-1(b) if the pupil is kept in the home of a person domiciled in the district, other than the parent or guardian, where the parent or guardian is a member of the New Jersey National Guard or the reserve component of the United States armed forces and has been ordered into active military service in time of war or national emergency. Eligibility under this provision shall cease at the end of the current school year upon the parent or guardian return from active military duty.

ELIGIBILITY OF RESIDENT/NONRESIDENT PUPILS (M)

A pupil is eligible to attend school free of charge pursuant to N.J.S.A. 18A:38-1(b) if the pupil's parent or guardian temporarily resides within the district and elects to have the pupil attend school in the district of temporary residence, notwithstanding the existence of a domicile elsewhere. Where required by the district, the parent or guardian shall demonstrate that such temporary residence is not solely for purposes of a pupil attending school within the district of temporary residence. Where one of a pupil's parents or guardians temporarily resides in the district while the other is domiciled or temporarily resides elsewhere, eligibility to attend school shall be determined in accordance with the criteria of N.J.A.C. 6A:22-3.1(a)1.i.

A pupil is eligible to attend school in the district free of charge:

1. If the pupil's parent or guardian moves to another district as the result of being homeless, subject to the provisions of N.J.A.C. 6A:17-2 - Education of Homeless Children;
2. If the pupil is placed in the home of a district resident by court order (as defined in N.J.A.C. 6A:22-3.2(e) or by a society, agency, or institution pursuant to N.J.S.A. 18A:38-2;
3. If the pupil had previously resided in the district and if the parent or guardian is a member of the New Jersey National Guard or the United States reserves and has been ordered to active service in time of war or national emergency, resulting in the relocation of the pupil out of the district, pursuant to N.J.S.A. 18A:38-3(b). The district shall not be obligated for transportation costs; and
4. If the pupil resides on federal property within the State pursuant to N.J.S.A. 18A:38-7.7 et seq.

The physical condition of an applicant's housing, an applicant's compliance with local housing ordinances, or terms of lease shall not affect eligibility to attend school.

A pupil's immigration/visa status and their eligibility to attend school shall be in accordance with N.J.A.C. 6A:22-3.3(b) and Regulation 5111.

Proof of Eligibility

The district shall accept forms of documentation from persons attempting to demonstrate a pupil's eligibility for enrollment in the district in accordance with N.J.A.C. 6A:22-3.4 et

seq. The district shall consider the totality of information and documentation offered by an applicant, and shall not deny enrollment based on failure to provide a particular form of documentation, or a particular subset of documents, without regard to other evidence presented.

The district shall not require or request any information or document protected from disclosure by law, or pertaining to criteria that are not a legitimate basis for determining eligibility to attend school. However, these protected documents or information, or pertinent parts thereof, may be voluntarily disclosed by the person(s) seeking enrollment in the district. However, the district may not, directly or indirectly, require or request such disclosure as an actual or implied condition of enrollment.

Initial Assessment and Enrollment

Registration, initial determinations of eligibility, and enrollment will be in accordance with N.J.A.C. 6A:22-4.1 et seq. The district shall use registration forms provided by the Commissioner of Education or locally developed forms that are consistent with the forms provided by the Commissioner. A district level school administrator designated by the Superintendent will be available, and clearly identified to applicants, to assist persons who are experiencing difficulties with the registration/enrollment process.

Initial determinations of eligibility shall be made upon presentation of an application for enrollment and enrollment shall take place immediately in all cases except those of clear, uncontested denials. Where an applicant has provided incomplete, unclear or questionable information, enrollment shall take place immediately, but the applicant will be placed on notice that removal will result if defects in the application are not corrected, or an appeal is not filed, in accordance with subsequent notice to be provided pursuant to N.J.A.C. 6A:22-4.2 et seq.

Where an applicant appears ineligible based on the information provided in the initial application, a preliminary written notice of ineligibility shall be provided, including an explanation of the right to appeal to the Commissioner of Education. Enrollment shall take place immediately if the applicant clearly indicates disagreement with the district's determination and intent to appeal to the Commissioner. A pupil enrolled pursuant to this provision shall be notified that he or she will be removed, without a hearing before the Board, if no appeal is filed within the twenty-one day period established by N.J.S.A. 18A:38-1.

Where enrollment is denied and no intent to appeal is indicated, applicants shall be advised that they shall comply with compulsory education laws. In this case, the parent or guardian shall, where the pupil is between the ages of six and sixteen, be asked to

complete a written statement that the pupil will be attending school in another district, attending a nonpublic school, or receiving instruction elsewhere than at a school pursuant to N.J.S.A. 18A:38-25. In the event this written statement is not provided, the district level administrator designated by the Superintendent shall notify the school district of actual domicile or residence, or the Department of Children and Families to report a potential instance of "neglect" pursuant to N.J.S.A. 9:6-1, with the pupil's name, the name(s) of the parent/guardian/resident, the pupil's address to the extent known, and shall indicate that of admission to the district has been denied based on residency or domicile, and that there is no evidence of intent to arrange for the child to attend school or receive instruction elsewhere.

Enrollment or attendance in the district requires a certified copy of birth certificate or other governmental proof of a pupil's identity at the time of initial enrollment pursuant to N.J.S.A. 18A:36-25.1.

Enrollment in the district may be denied based upon absence of copies of pupil medical information beyond ten days and actual attendance at school may be deferred as necessitated by compliance with rules regarding immunization of pupils, N.J.A.C. 8:57-4.1 et seq.

Enrollment in the district, attendance at school, or educational services where attendance in the regular education program appears inappropriate, shall not be denied based upon absence of a pupil's prior educational record. However, the applicant shall be advised that the initial educational placement of the pupil may be subject to revision upon receipt of records or further assessment of the pupil by the district.

Notice of Ineligibility

If the district finds the applicant ineligible to attend the schools of the district pursuant to N.J.A.C. 6A:22-1.1 et seq., or the application initially submitted is found to be deficient upon subsequent review or investigation, notice shall immediately be provided to the applicant consistent with sample form(s) to be provided by the Commissioner. Notices shall be in writing, in English and in the native language of the applicant, issued by the Superintendent and directed to the address at which the applicant claims to reside. The Notice of Ineligibility shall be provided and shall include information as required in accordance with N.J.A.C. 6A:22-4.2 et seq.

Removal of Currently Enrolled Pupils

Nothing in N.J.A.C. 6A:22-4.3 et seq. and this policy shall preclude the Board from seeking to identify, through further investigation or periodic requests for current

validation of previously determined eligibility status, pupils enrolled in the district who may be ineligible for continued attendance due to error in initial assessment, changed circumstances or newly discovered information.

When a pupil, enrolled and attending school in the district based on an initial determination of eligibility, is later determined to be ineligible for continued attendance, the Superintendent may apply to the Board for removal of the pupil in accordance with N.J.A.C. 6A:22-4.3(b). No pupil shall be removed from school unless the parent, guardian, adult pupil or resident keeping an "affidavit pupil" (as defined in N.J.A.C. 6A:22-1.2) as the case may be, has been informed of his or her entitlement to a hearing before the Board of Education. Once the hearing is held, or if the parent, guardian, adult pupil or resident keeping an "affidavit pupil", as the case may be, does not respond to the Superintendent's notice within the designated time frame or appear for the hearing, the Board shall make a prompt determination of the pupil's eligibility or ineligibility and shall immediately provide notice thereof in accordance with the requirements of N.J.A.C. 6A:22-4.2 et seq. The hearings required pursuant to N.J.A.C. 6A:22-4.3 et seq. may be conducted by the full Board or a Board Committee, at the discretion of the full Board. If the hearing(s) is conducted by a Board Committee, the Committee shall make a recommendation to the full Board for action. No pupil may be removed except by vote of the Board taken at a meeting duly convened and conducted pursuant to N.J.S.A. 10:4-6 et seq., the Open Public Meetings Act.

Appeal to the Commissioner

The district's determination that a pupil is ineligible to attend the schools of the district may be appealed to the Commissioner by the parent, ~~legal~~ guardian, adult pupil or resident keeping an "affidavit pupil", as the case may be. Such appeals shall proceed in accordance with N.J.S.A. 18A:38-1 and N.J.A.C. 6A:3-8.1 et seq. and shall proceed as a contested case pursuant to N.J.A.C.6A:3. Pursuant to N.J.S.A. 18A:38-1(b)1, appeals of "affidavit pupil" eligibility determinations must be filed by the resident keeping the pupil.

Assessment and Calculation of Tuition

If no appeal to the Commissioner is filed following notice of a determination of ineligibility, the Board may assess tuition for any period of a pupil's ineligible attendance, including the twenty-one day period provided by N.J.S.A. 18A:38-1 for appeal to the Commissioner. Tuition will be assessed and calculated in accordance with N.J.A.C. 6A:22-6.3 et seq. The district may petition the Commissioner for an order assessing tuition, enforceable in accordance with N.J.S.A. 2A:58-10, through recording,

upon request of the Board pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division.

Nonresident Pupils

The admission of a nonresident child to school free of charge must be approved by the Board. No child otherwise eligible shall be denied admission on the basis of the child's race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability. The continued enrollment of any nonresident pupil shall be contingent upon the pupil's maintenance of good standards of citizenship and discipline as determined by the superintendent of schools whose decision is final.

Children Who Anticipate Moving to or from the District

1. Upon proper application, the children of families, who expect to become residents of the Wayne School District during a given semester and who have signed a contract to buy or build a residence in the district, shall be admitted to school on or after the beginning of the semester during which they expect to become residents. No tuition will be charged. Proof of residency shall be submitted, to the extent possible at the time of application, in accordance with the requirements of Board Policy. At a minimum, this proof shall include a fully executed, binding contract for the purchase of a residence within the district. Future residents shall, if necessary, fulfill their proof-of-residency requirements subsequent to the submission of their applications as additional required proofs become available, but in no event later than thirty days after the original date of closing listed on the contract. Failure to do so will result in contact by the district Attendance Officer. Lack of required proofs shall result in tuition charges retroactive to the original date of closing.
2. The parent (s) or legal guardian(s) and/or the adult pupil must notify the Building Principal of a change in any of the conditions supporting the pupil's tuition-free enrollment. The Principal must receive this notice within fourteen calendar days of the date on which any tuition-free enrollment condition(s) changed. The failure to notify administration of any such change within this time period may result in the pupil's loss of tuition-free status and/or disenrollment from the Wayne Public Schools. A pupil may be disenrolled or lose his/her tuition-free eligibility as a result of any change in the condition(s) which originally supported tuition-free enrollment.

Former Residents

1. Regularly enrolled children of former residents shall be permitted to complete their current school year in the Wayne Public Schools on a tuition basis, provided that they become non-residents after October 15 of that school year. Children enrolled in grade eleven who become non-residents after October 15 of that school year shall be permitted to complete both their junior and senior years in the Wayne Public Schools on a tuition basis unless tuition is waived by the Board. Such non-resident juniors shall completely lose their eligibility to attend school in the district if they attend school outside of the district after becoming non-resident. Tuition charged for non-resident attendance shall be prorated from the annual rate to reflect only the period of non-resident attendance.
2. In classes on part-time session, enrollment of non-residents will not be permitted if such enrollment requires a class size in excess of the desired maximum number of pupils.
3. Non-resident parent(s) or legal guardian(s) and/or the adult pupil must notify the Building Principal if any of the conditions supporting a pupil's tuition enrollment change. The Principal must receive this notice within fourteen calendar days of the date on which any tuition enrollment condition(s) changed. The failure to notify administration of such change within this time period may result in a pupil's disenrollment from the Wayne Public Schools. A pupil may be disenrolled as a result of any change in the condition (s) which originally supported tuition enrollment.

Other Nonresident Children

1. Except in special contingencies pertaining to the welfare of the community and its schools or to cases of special hardship, the Wayne Board of Education will accept non-resident pupils upon the payment of tuition only when such acceptance will not necessitate increasing the size of the faculty or staff, or result in classes containing more than the permitted number of pupils. Cases of special hardship will be referred to the Board of Education for consideration. Non-resident teachers' children may also be admitted under this policy.

STUDENT TEACHERS/INTERNS

9541 STUDENT TEACHERS/INTERNS

The Board of Education encourages cooperation with the state colleges and universities in the education of teachers, because the public school offers an experience essential to their training, interaction with pupils and teachers at work in the classroom. Accordingly, the schools of this district will accept students from accredited institutions of higher learning as junior or senior student teachers/interns.

Student teachers/interns shall be selected and assigned by the Superintendent. The Superintendent shall assign student teachers/interns throughout the district in a manner that assures that no single group of pupils will be subject to excessive student teacher/intern classroom hours.

Student teachers/intern shall comply with the health examination required by rules of the State Board of Education and that required for teaching staff members by this Board.

The Board of Education requires every student teacher/intern possess a county substitute credential issued in accordance with N.J.A.C. 6A:9-6.5.

Student teachers shall at all times be subject to the policies of this Board. Student teachers serving in the schools of this district shall be responsible to the Principal for their conduct and to the cooperating teacher for their performance.

Students and other affiliates of educational institutions will be offered the opportunity to visit and observe our district in the course of teacher training programs and educational research projects. Such students will be treated as visitors and will be under the direct supervision of the Principal.
