School Bus Safety Activity Book

Grades: pre-K-2

Dear School Teachers/Parents:

We, at the Wayne Transportation Department are glad to have the opportunity to talk to your students/children about the importance of school bus safety. School buses are one of the safest forms of transportation, but unfortunately every year children are injured across the country in school bus accidents.

Education is the key to prevention. School bus drivers are required to retest and retrain every four years in order to maintain their certification. This is a public awareness campaign to educate the students, teachers, as well as parents about the importance of School Bus Safety.

We need your help to educate the children on the basic school bus safety rules. Please take some time to speak to your students/children about the following school bus safety rules:

1. Be on time.
2. Never run to or from the bus.
3. Stand back from the curb.
4. Don't push or shove.
5. Stay in your seat.
6. Don't yell or shout.
7. Always obey the driver.
8. Always cross at least 10 feet in front of the bus.
9. Never crawl under a school bus.

These safety rules have been outlined in this fun activities book. We hope that you find this activity book helpful and useful. Please feel free to contact us at (973) 633 – 3144 with your comments or for additional books.

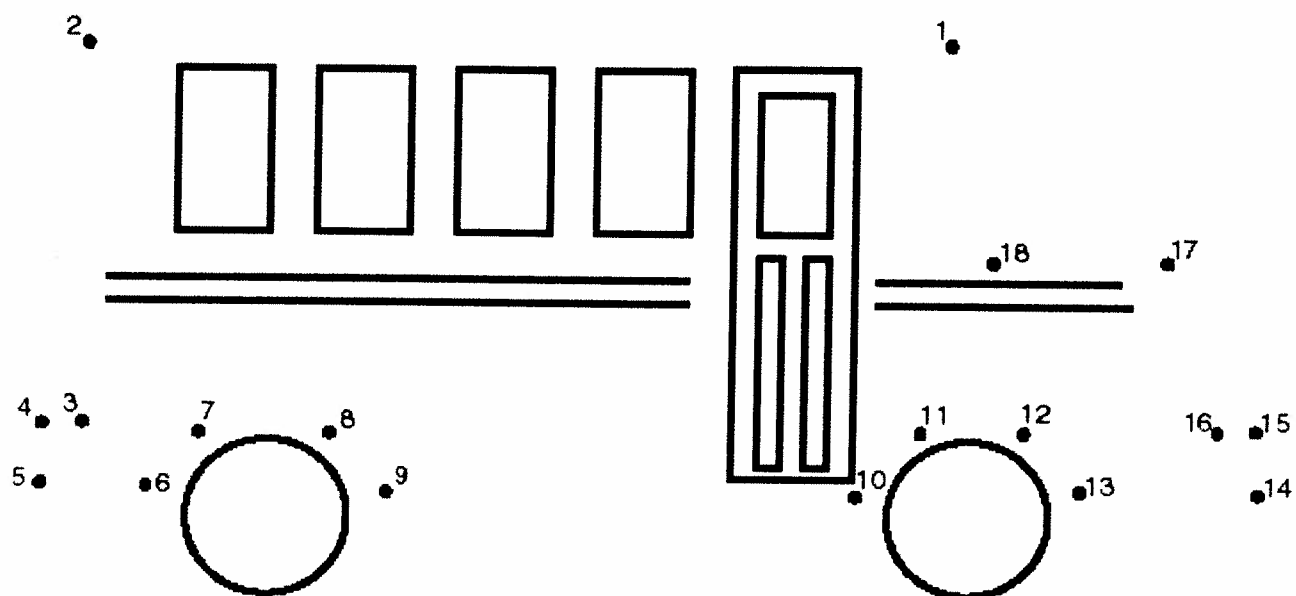

Sincerely,

Darryl A. Fennell, Executive Manager of Transportation
Wayne Transportation Department

NUMBER MAZE 2

Can you help this school bus get to school? Draw a path from the bus to the school by counting from 1 to 10.

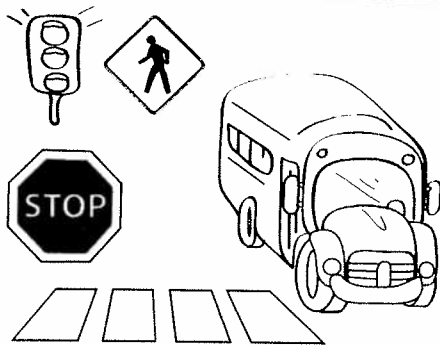

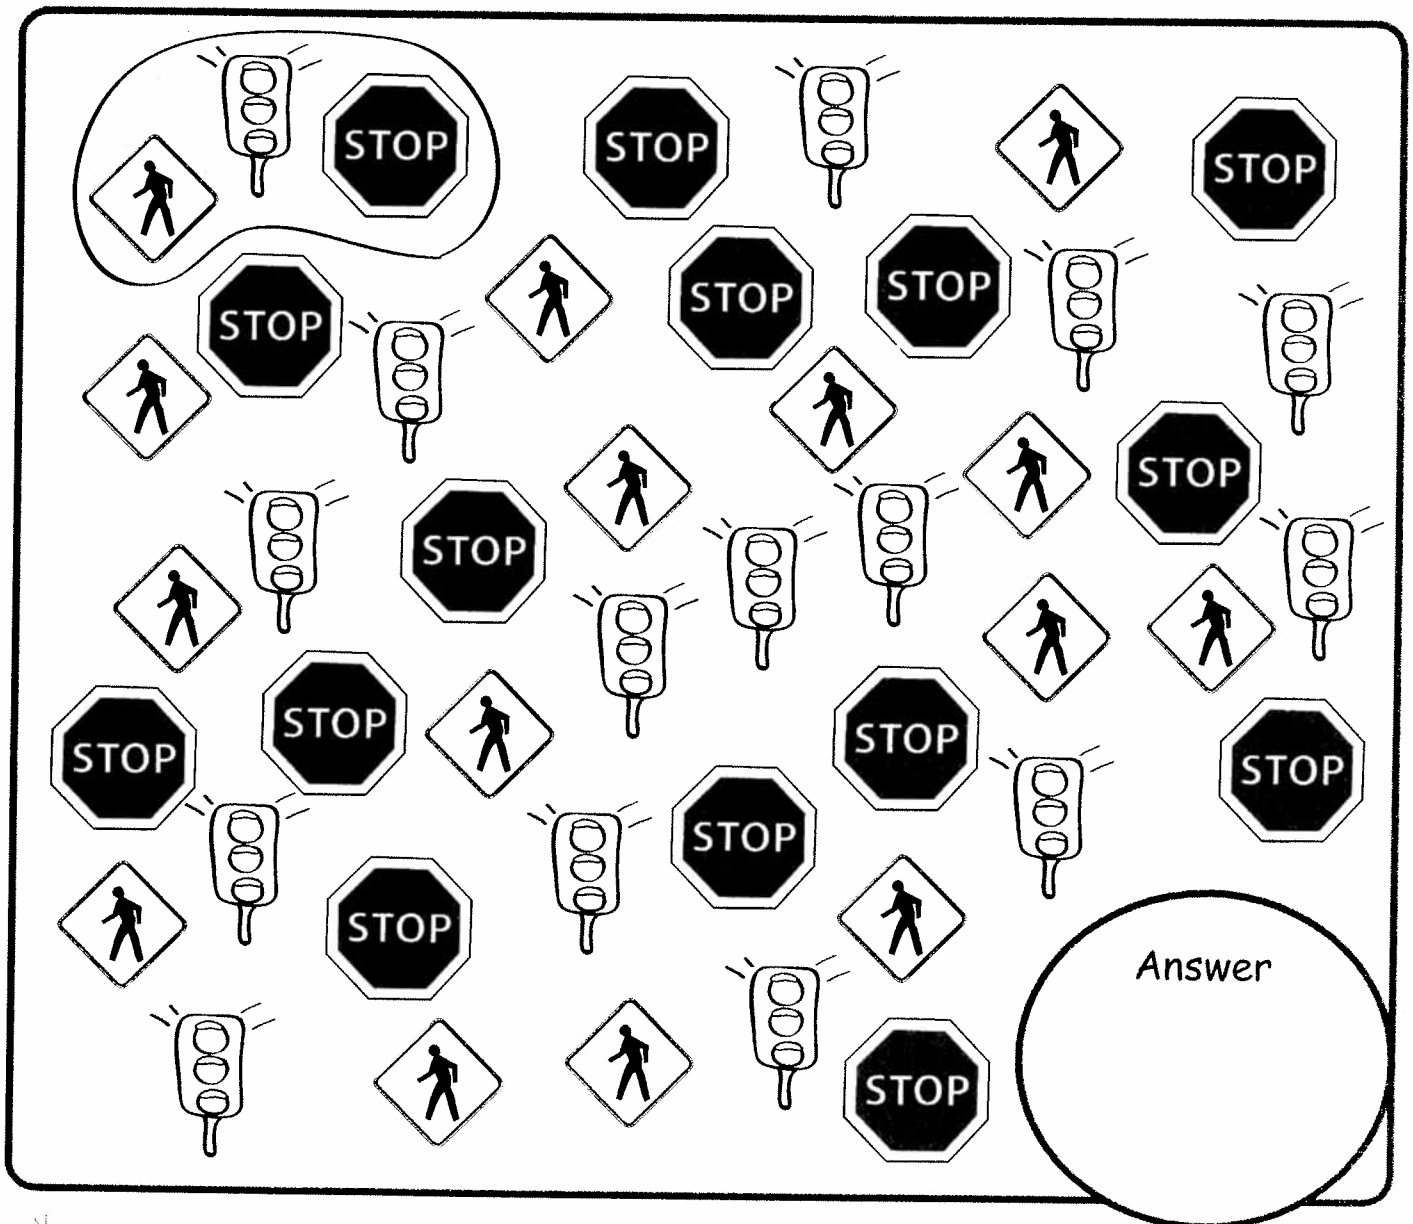

In the afternoon when school is over, our teacher helps us to find the right bus to go home.

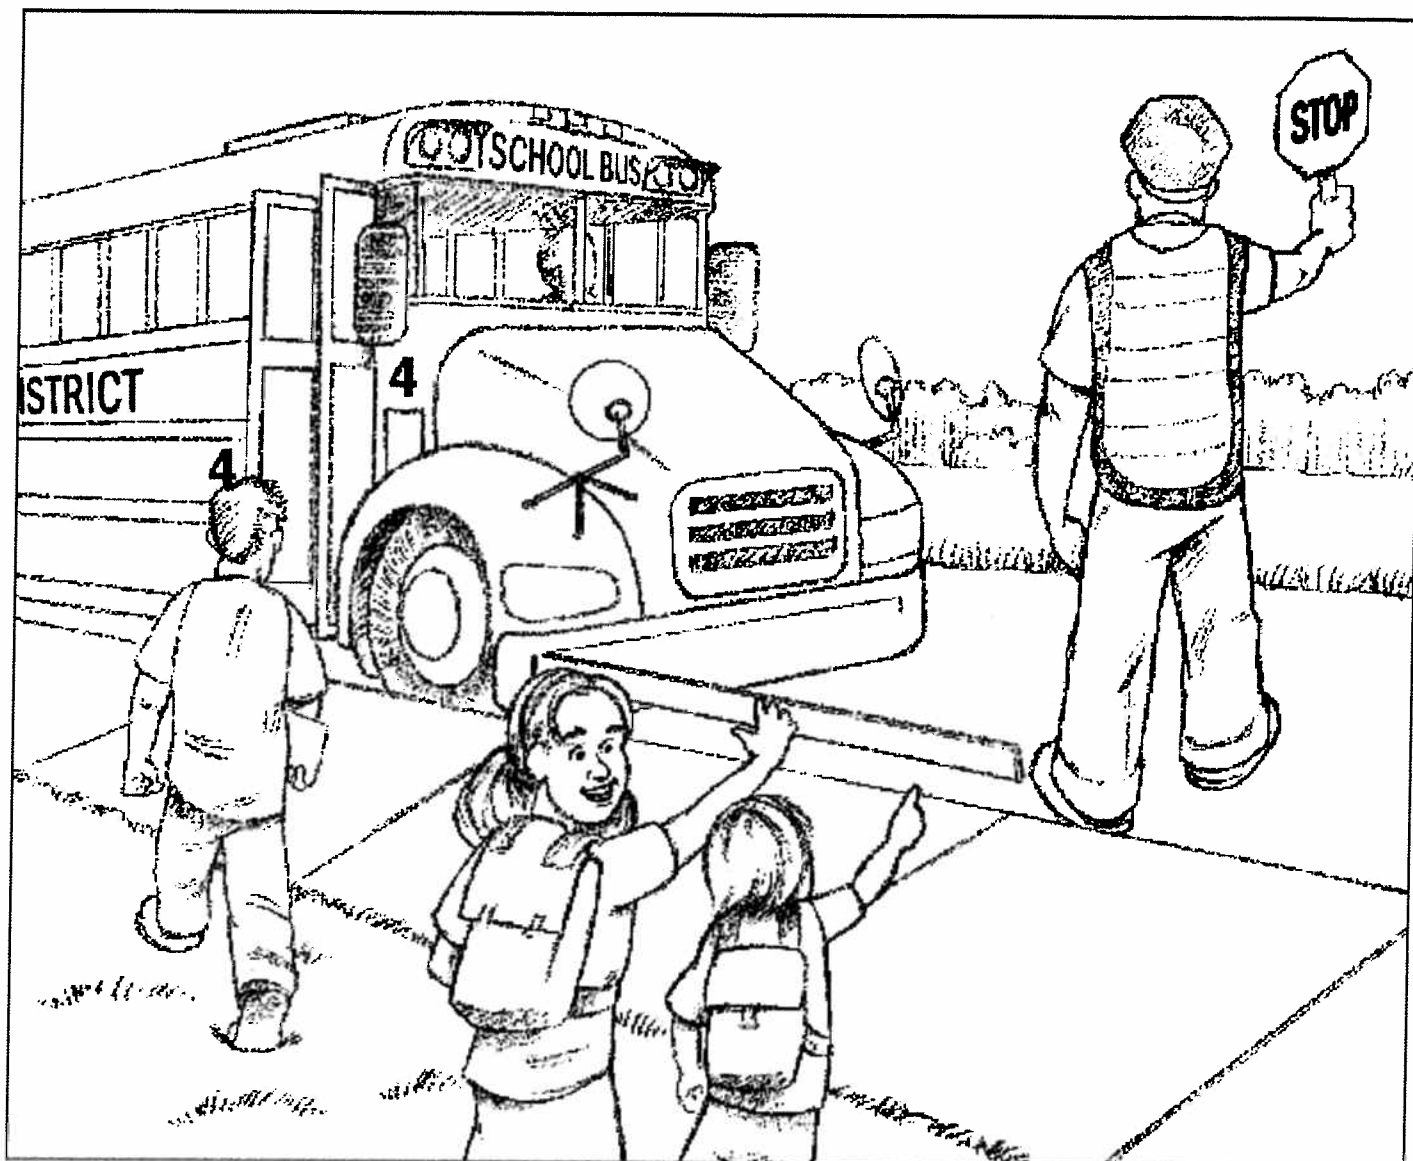

Safety tip: Look for your bus number to be sure you're boarding the right bus.

Intersection Mania: Counting signs

How many intersections will this school bus go through on the way to school. Each intersection has one traffic light and two road signs. Grouping three items together, you will know a number of intersections.

The bus driver stops the bus before reaching us and opens the door.
A big yellow bar sticks out from the bus' front bumper.

Safety tip: Walk around the yellow bar so the bus driver can see you.

COUNCIL™

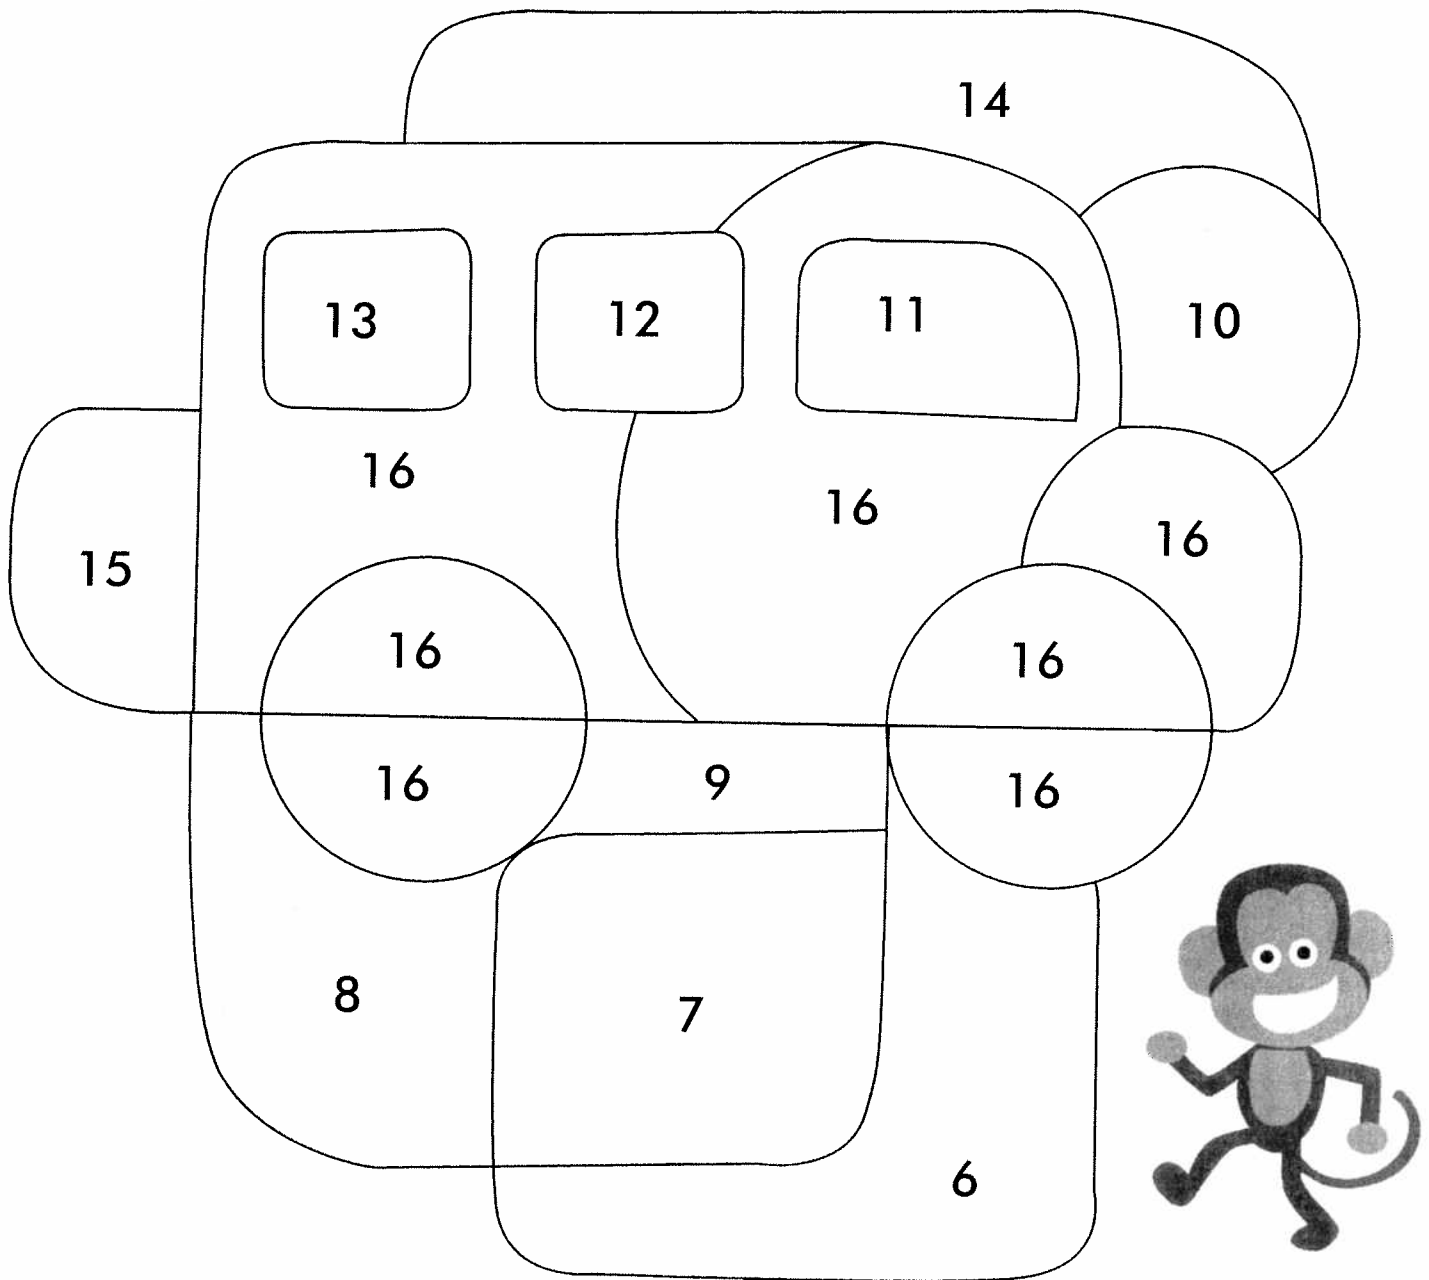

Carmen's older sister, Rosa, attends the high school next door. Sometimes she wants to drive Carmen to school, but Carmen would rather ride the bus with her friends.

Safety tip: Always take the bus. It's the safest way to get to school.

16

Marty the Monkey can't find the school bus!
Color the spaces with the number 16 to find the hidden school bus.

Can you count how many 16s are in the picture?

Martha has to cross the street to get to the bus. When the bus driver stops and opens the door, red and yellow lights flash and a stop sign signals all cars to stop.

Safety tip: Wait for the stop sign and flashing lights, and then look both ways before crossing the street.
