WAYNE, NEW JERSEY**

**MEDICAL EXAMINATION
NOTIFICATION FORM**

N.J.A.C. 6A:16-2.2 & N.J.S.A. 18A:40-4 requires that each student, upon entry into the school district, shall have a medical examination conducted at the medical home of the student, and a report sent to the school nurse. The complete physical examination shall be documented on the approved school district form and shall include the immunizations, medical history including allergies, past serious illnesses, injuries and operations, medications and current health problems, health screenings including height, weight, hearing, blood pressure and vision. This examination must be completed no more than 365 days prior to school entry and must state what, if any, modifications are required for full participation in the school program.

Recommended subsequent medical examinations shall be conducted at the medical home and a report sent to the school at least one time during each developmental stage at early childhood, pre-adolescence, and adolescence. (Recommended grades: Kindergarten, 4th grade, 8th grade, 10th grade.)

A student shall be examined pursuant to a comprehensive child study team evaluation and when applying for working papers.

A physical examination of each candidate for a school athletic squad or team shall be conducted within 365 days prior to the first practice session. This examination must be documented on the approved New Jersey Department of Education Athletic Pre-Participation Physical Examination form.

In-school health screenings, including height, weight, vision, hearing, blood pressure, strip to the waist biennial scoliosis screening and referral will be conducted by the school nurse and the school physician.

A copy to this signed notification form will be kept with your child's health records.
