## **FREE & REDUCED LUNCH APPLICATIONS** **MUST BE COMPLETED YEARLY**

If you have not already done so for the upcoming school year 2022/2023 – and you need to apply, or previously were in the free & reduced lunch program and would like to continue, please go to our **district website** ([www.wayneschools.com](http://www.wayneschools.com)) **under family links; free & reduced lunches** and fill out a new application for this year.

Your prior year status will terminate in the beginning of October (30 days after school begins). Free & reduced lunch may enable you to other school benefits.

**Only one** application for Free & Reduced priced meals needs to be submitted **per household**.

Breakfast – is available to **all** students.

Please refer to the “**FOOD SERVICES**” tab on the District website (located under “Family Links” tab) for other information.

**High School Students** – although our high school students do not participate in the federally funded child nutrition programs, lunch is available to high school students at an average cost of \$ 3.30 for full priced lunch and if eligible, \$ 0.00 for reduced/free lunch. Please know that **all high school menu items are sold ALA CARTE (separately)**.

Reminder to **list all** household members & **all** household incomes. The application **does not save** your information until you review and **press submit**.

If you are **Directly Certified** by the State, you **do not need to do anything**, we are provided this information by our State reports that are run.

Once your application is submitted, you will receive a letter on the status within a few days.
