December, 2018

Dressing appropriately for school in cold weather is important for the health and safety of our students. Outdoor recess takes place when the temperature is 32 degrees and above, dependent upon the windchill. Students must have a winter coat or jacket on in order to go outside for recess when the temperature is below 50 degrees. Sweatshirts and lightweight jackets alone are not permitted. Additionally, appropriate winter attire is important due to the required monthly fire drills that all students complete.

The health and safety of our students is always a priority. Thank you for your anticipated cooperation.

Sincerely,

Matthew A. Kriley, Principal
