

# FIELD DAY

*Thinking about volunteering all year long but never knew what to do? Why not pick a day you can enjoy out in the sun with the students of Randall Carter and join us for Field Day?*

Field Day 2022 is **Wednesday, May 25th!** (Rain date - **June 2nd.**) As a volunteer you will be assigned to a water station or a game and will be notified prior to Field Day which station you are assigned to.

*We are calling for volunteers to assist at the following times:*

- ★ **Morning events: 9:00-11:30 arrival at 8:35**
- ★ **Afternoon events: 1:30-2:45 arrival at 1:15**
- ★ **Lunch Time: 11:30-1:15**

We will do our best to make sure you will be on the side of the field where your child is. We also try to double up volunteers at each station to give you the opportunity to take a break and walk around to enjoy watching your kids at other events. Especially when we know you have more than one child!

Unable to volunteer but want to help out? We are asking families to donate gallons of water. Drop off will start the week of May 23rd near the front entrance of the building. Please fill out the form below to let us know!

Email Donna or Tara at [fielddayatcarter@gmail.com](mailto:fielddayatcarter@gmail.com) with any questions.

*If you are able to volunteer, please fill out the portion below and return it to the PTO Mailbox labeled "Field Day Volunteers" or visit this url - <https://tinyurl.com/RC2022FieldDayVolunteer> to sign up online*

***Deadline: May 20<sup>th</sup>, 2022***
