

## FREE & REDUCED LUNCH APPLICATIONS

### LUNCH APPLICATIONS MUST BE COMPLETED YEARLY

Anyone who is interested in the Free & Reduced Lunch Program should complete an application for the upcoming School Year 2023/2024.\*

If you were *previously* enrolled and would like to continue with the program for 2023/2024, please go to our District website and fill out a new application as your prior year's status will terminate at the beginning of October (30 days after school begins). Applications can be found at [www.wayneschools.com](http://www.wayneschools.com)

Go to:

- ☐ Family Links
- ☐ Free & Reduced Online Lunch Application (*should reopen in August*)
  - a. Enter zip code & State information
  - b. Begin the online process

Remember to list **ALL** household members and **ALL** household incomes.

Your application **WILL NOT BE SAVED** until you complete, review, and submit all of your information. Once completed, you will receive a letter on the status of your application within a few days.

Free & Reduced Lunch eligibility may entitle you to additional school benefits.

Although our high school students do not participate in the federally funded child nutrition programs, lunch is available to high school students at an average cost of \$4.15 for full priced lunch and if eligible, \$0.00 for reduced/free lunch. Please note that all high school menu items are sold ala carte (*separately*).

\*If you are already Directly Certified by the State, you do not need to do anything as we are provided with a report of this information by the State.

Please email [dwilde@wayneschools.com](mailto:dwilde@wayneschools.com) with any questions.

Thank You.
