Dear Parents/Guardians and Students:

I am writing to make you aware that this year we are excited to continue our focus for student and staff wellness, which includes **Wellness Weekends**. Wellness Weekends represent a break away from school responsibilities. During each of the three Wellness Weekends, students do not have any obligations to the school district, which means no homework, no tests or quizzes, and no due dates scheduled directly before or after a Wellness Weekend. We hope this will lead to healthier students, employees, and families.

Wellness Weekends for the 2023-2024 school year are scheduled as follows:

- **November 22-26**
- **February 16-19**
- **May 24-27**

Please note:

Policy #2230 - HOMEWORK

Assessments may not be given and homework or long term projects may not be due within three days following a spring or winter recess period.

As always, if you have any questions or suggestions, please feel free to contact me at mtoback@wayneschools.com.

Sincerely,

Mark Toback, Ed.D.
Superintendent of Schools
