### Wayne Valley Students Recognized by College Board

(WAYNE, NJ) - Wayne Valley High School is excited to announce that six of our outstanding seniors have been recognized by the College Board as National Recognition Program Scholars. The College Board is a nonprofit organization that represents more than 6,000 colleges, universities, and educational organizations worldwide. The organization administers the PSAT, SAT, and Advanced Placement exams, and utilizes its National Recognition Programs to highlight academic excellence. The College Board shares that "colleges use the listing of this honor as a way of identifying students from underrepresented groups who have excelled on their PSAT/NMSQT, PSAT 10, or AP Exams and in their classwork."

Mr. Wisniewski, Counseling Supervisor, said on behalf of the counseling department, "We are thrilled by these students' efforts and abilities as they are recognized by the College Board. This is an impressive honor and they are more than deserving of such recognition." On behalf of Wayne Valley High School, we would like to congratulate the following students who earned this prestigious recognition.
