

Wayne Public Schools' Kindergarten Milk Program 2020-21

Dear Parents/ Guardians of Kindergarten Students:

Kindergarten Milk money for September 2020 can be given in the first day of the week of school which is September 8, 2020. The National School Lunch Program offers the subsidized milk price to all half day kindergarten students. The cost of the kindergarten milk for all of September 2020 is \$5.60, which is for the sixteen school days at \$.35 per day. The kindergarten milk service days are the same as the number of regular school days each month. For your convenience, you can send monthly payments at the beginning of every month from October through June. The **Kindergarten Milk Program** is part of the National School Lunch Program, which helps by subsidizing the cost of the milk for the students.

When sending milk payments(daily, weekly or monthly), please label the envelope **KINDERGARTEN MILK PROGRAM** with your child's name, AM/ PM, type of milk and student ID number. The variety of milk we offer is Fat Free Chocolate, Skim and 1% Milk choices. The payment can be either in cash or check and placed in the envelope. Checks are deposited into each student's foodservice account to draw down with each purchase. Please send the envelope to the main office of your child's elementary school in the Food Service mailbox and make checks payable to, **Wayne Public Schools Foodservice Fund**.

We have an **online payment option** that is done through each student's foodservice account by using their foodservice id number. Please refer to the MCS Parent Letter for information to set up an account and details on the service. Online payments are deposited directly into each student's foodservice account to purchase each day wanted. Complete and send in the bottom tear off section or write a note with the day(s) you would like milk for your child(ren).

Any kindergarten student that receives a Free Meals determination is entitled to free milk. Please send the same information as listed above and include a note saying your child gets free milk. This information is confidential and will not be shared.

Thank you for giving us the opportunity to serve you. Please contact the foodservice office at 973-317-2239 with any questions.

Best Regards,
