

WE WANT TO HEAR YOUR VOICE!

Mayor Vergano is proud to announce Wayne Township's Age-Friendly Initiative.

Wayne residents, 45 years and older, are invited to share your feedback by filling out Wayne Township's Age-Friendly Survey. Information collected from the survey is anonymous and will be used to understand the needs of our community and prepare a plan to make Wayne more age-friendly in the future.

Surveys can be found at the Wayne Public Library's Circulation Desk or online at:

Completed surveys can be dropped off at the Wayne Public Library Circulation Desk.
