

VOLUNTEERS NEEDED

Please consider donating some of your valuable time to assist us in caring for our patients and your fellow community members. Our program is open to anyone age 16 and older. We are most in need of adult volunteers in our Emergency Department, Nursing units and a few other areas Mondays- Friday and would love to have you join our team. If you have a few hours once or twice a week to spare, please...

1. Go to WWW.STJOSEPHSHEALTH.ORG
Click on Volunteer in the Quick Links section found in the bottom left hand corner
Then scroll down and click on "click here to Apply"
Complete and submit an application.
2. Once application is received and reviewed, an email will be sent. The following requirements must be completed prior to orientation.
 - A copy of your immunization record (if you are born before 1957, you would just need a doctor's note saying you are medically cleared to volunteer).
 - 2 PPD/TB tests- offered free of charge through St. Joseph's Employee Health
 - Proof of Flu shot.
 - Adults will also need to complete and return the Consent for Background check form and have 2 references returned. (they must not be related to you) - Please try to include their e-mail address and/or phone numbers.

Please feel free to reach out to me for further information or assistance.

Thank you!
Christine
