Dear Parents,

This year the APT PTO committee Terhune Cares would like to do a service project for our military and local first responders. We are asking for you to please consider sending in your extra candy from trick or treating or any Halloween parties. We will mail one 25 pound box to Operation Gratitude headquarters and they in turn will create care packages to send to our troops via Operation Gratitude's Halloween Candy Give-Back Campaign!

In the event that we collect more than 25 pounds of candy we will then distribute the balance to our local first responders. Bring in any candy you do not want to school on 11/1 & 11/4. Give donations directly to your child's teacher.

Sincerely,

APT PTO
Terhune Cares Committee
