

Dear 5th Grade Parents,

I would like to thank each of you for submitting your child's baby picture for the yearbook. I really appreciate it!!!

Now that the holiday break is over, work on the yearbook will kick into high gear. The first milestone of the new year will be putting together the cover. We would like all 5th graders to have the chance to have an impact on the cover. So.....we're going to hold a cover design contest. Here's how it will work:

- ** Any 5th grade student who would like, can submit a drawing for the cover.
- ** Drawings must be submitted on an 8.5 x 11 sheet of white paper.
- ** Your child's drawing goes on the front of the paper. Their name and teacher needs to go on the back to ensure confidentiality.
- ** Submissions will be accepted until January 22nd.
- ** A committee of APT teachers and staff will choose the winning drawing.
- ** The winner will be unveiled when the children receive their yearbooks following the move up ceremony.

We hope that as many children as possible join in on this cover design contest!!!

If you have any questions, feel free to reach out to me at robkeenan11@yahoo.com.

Thanks and good luck!

Rob Keenan
